# Southern Cathedrals *festival*

*Chichester 18 -21 July 2019*

**W**e are delighted to invite you to the Southern Cathedrals Festival, and to an exciting programme of events, performances and services held in Chichester Cathedral and other iconic venues around the city centre.

The 400th anniversary of Heinrich Schütz's *Psalmen Davids* falls this year. Pieces from this exquisite collection feature in two of the concerts, and a wealth of psalm settings, old and new, are explored throughout the Festival.

Three choral concerts take their place in the programme alongside four services (one recorded for broadcast by the BBC), recitals of songs and organ music, a performance by the superb West Sussex Youth Wind Orchestra, and evening entertainment in the Festival Marquee in the Deanery Garden.

The Festival culminates in a performance of one of the great achievements of Western music, J. S. Bach's *St John Passion*, in which the choirs are joined by an exciting line-up of soloists, and the acclaimed period-instrument orchestra 'Florilegium'.

The Festival is a rich celebration of the friendship between our three cathedrals. We look forward to welcoming our extended family of audience members, worshippers, patrons, sponsors and musicians, and to sharing the Festival with you.

**Andrew Lumsden** Winchester Cathedral
